Dear Sir/Madam,

RE: TWO BEDROOM TOWNHOUSE, 18-20 CAVENDISH ST, GEELONG
DEPRECIATION REPORT

As requested please find attached Muller Partnership's depreciation report for the above.

This report is prepared by Muller Partnership as Construction Cost Consultants for the addressee only and not in any other capacity. It is based on the "Total Installed Cost" which was arrived at by using the following information:

- Written & verbal information supplied by the developer Morris Property Group
- Floor Plans
- Muller Partnership Construction Cost advice

The following costs are proportioned over the items contained in the report:-

1) Preliminaries
2) Consultants
3) Authorities

The following items are not depreciable and are therefore excluded:-

a) Land costs, rates & taxes
b) Holding costs
c) Non-depreciable items (e.g. demolition, soft landscaping, etc)

The report is intended for use only by the party or parties to whom it is directed. The contents should only be treated as advice on construction costs and like matters, and not as legal, accounting or taxation advice & we recommend the owner(s) consult with their advisors before relying on the non-construction information provided.

Should you have any queries or require any further information please do not hesitate to contact the undersigned.

Yours faithfully
MULLER PARTNERSHIP

1.0 EXECUTIVE SUMMARY

Introduction

Muller Partnership has been engaged by Morris Property Group to prepare a Depreciation Report for Two Bedroom Townhouse, 18-20 Cavendish St, Geelong in order to identify the following:

a) estimate Division 40 – Plant Depreciation

b) estimate Division 43 – Building Write-off

Methodology

In order to identify and determine the value of Building Works (Division 43) and Plant Items (Division 40) based on estimated construction costs, we have prepared our report based on the drawings and other documentations used on the project.

Where detailed breakdowns for actual Division 40 costs were not available, Muller Partnership has estimated their values based on current market rates and trade advice.

The outcomes for Division 40 and Division 43 items are contained in the attached Depreciation Schedules (pg 4) and summarised below.

Findings – Prime Cost Method

	Division 40	Division 43	**Indicative Depreciable Total**	
Year 1	3,081	4,403	7,484	*
Year 2	3,096	4,403	7,499	*
Year 3	3,081	4,403	7,484	*
Year 4	3,071	4,403	7,474	*
Year 5	3,065	4,403	7,468	*
Year 6	3,061	4,403	7,464	*
Year 7	3,057	4,403	7,460	*
Year 8	3,056	4,403	7,459	*
Year 9	3,056	4,403	7,459	*
Year 10	3,050	4,403	7,453	*
Residual	7,593	132,107	139,700	*

** Refer attached Schedule for detailed cost information*

5.0 SCHEDULES

5.1 INFORMATION

- Written & verbal information supplied by the Developer Morris Property Group
- Floor Plans
- Muller Partnership Construction Cost advice

5.2 EXCLUSIONS

- Land costs & legal fees
- Demolition
- Fit-out other than listed in the foregoing estimate
- Soft landscaping

5.3 NOTES

- This report has been prepared to identify Capital Allowances available under current taxation legislation. It identifies costs in relation to Divisions 40 and 43 of the Income Tax Assessment Act 1997 and subsequent amendments.

- The estimate Capital Allowances deductions shown in these schedules can be claimed by investors who hold the unit for taxable purpose.

- Division 43 Capital Works deductions (Write-off for building Works and Structural Improvements) have been calculated at 2.5% per annum.

- This estimated cost, which represents the estimated value of the original Capital Works at the time of construction, has been used in the assessment of estimated annual deductions.

- The estimated undeducted value of the original Capital Works, which represents the "Opening Adjustable Value" for Division 43 Capital Works, is also provided for future assessments.

- This estimated undeducted value of the original Capital Works has incorporated write-off deductions from completion of the building to the time of purchase by the current owner.

- The percentages used for calculation of the estimated Division 40 deductions for decline in value of depreciating assets are derived from the 'effective life values (in years)' as listed in Taxation Ruling TR2016/1.

- This report has been prepared by Muller Partnership as Construction Cost Consultants and includes actual or estimated values for items which may be depreciable under the relevant tax legislation.

- The report does not provide tax advice and the tax payer must discuss the contents of this report with a tax advisor prior to using the information in a tax return. The report only relates to the current owner of the property.
